Napenda Kuchora Kila Siku ~ I love Drawing Everyday

Dear Parent, you can either print the worksheet and have your child draw the pictures or they can copy the worksheet on a piece of paper and make the drawings. Reading aloud, writing and drawing would enhance the learning. Make it fun by doing it together as a family. If you would like to, take a picture of their drawing, and start a little journal for your child's Swahili Strong Foundation memories:)
